Thibault Claude *Web Developer*

✉ me@thibaultclaude.be   ✦ https://thibaultclaude.be   ⊙ thclaude

In addition to my studies,I have learned (and still learn) a lot in a self-taught way and constantly have personal projects in order to test new technologies or to stay up to date on current ones.I have a preference for web development and particularly appreciates JavaScript but my complete training allows me to be a polyvalent element.

💼 Professional Experience
